**I**t is nature's most coveted blessing for an ordinary mortal to be able to find himself in an environment and impact positively with lasting effects.

In fact, few personalities are that lucky. While some individuals thrust with such responsibilities may perform below expectation in certain fields, others with determination and drive will excel to society's amazement and appreciation.

One of such individuals in Ghana today, is Noble Isaac Ofori Poku, Chief Executive Officer of GH. Daewoo Motors Ltd and GH. Express Services Ltd.
